SPET Monthly Members Meeting

Thursday 20th June 2019,
6:30pm at the British Club
Soi 18, Silom Road, Bangkok

“How to change Emperor?”

By

Michael Winckless

Another rather different presentation than our usual engineering scenario's containing snippets of history you've never even wished to know, 'The secret of empire: How Rome tore itself apart after the death of the Emperor Nero and How it was restored by its Second Dynasty', including the second six of the twelve Caesars, accompanied by wine and finger food. Note beer affectionado's need not suffer dehydration.

Michael Winckless, an unemployable ex-International Banker, ex-McKinsey consultant, ex-Finance Director and ex-Barrister who collects Roman coins to fill some of the time remaining until he is extinct.

Please advise Chris Moore by e-mail that you will be attending in order to gauge fluid matters.

Entry fee is Baht 200 for Members of SPET and Baht 400 for all others.

About 35 members and guests enjoyed the presentation on “How can tier 1 suppliers contribute to reduce project cost?” This was presented by Louis Vandamme of **Pandrol** on 16th May 2019.

Forthcoming events

July; To be given by Professor Steve Rowlinson (Univ HK), subject informed later by Flyer.

The Committee is always seeking new topics for the Monthly SPET Meetings to ensure a continuous schedule of talks for our Members and guests. If any member can suggest possible technical, professional engineering or other topics that might be of interest please contact Mr. Chris Moore on 081-824-1648.

Membership subscriptions for 2019 are now due.

Renewal and new membership forms are available at all meetings,
and renewed members will receive a membership card

Please enquire at the reception desk,
or email chris@lasanne.com.
